To the Creditors of Chr. Hansen Holding A/S, CVR No 28318677

In connection with the merger between Novozymes A/S and Chr. Hansen Holding A/S can be assumed to be sufficiently secured after the merger as compared to the current situation of Chr. Hansen Holding A/S.

For the purpose of this assurance engagement, “to be sufficiently secured” means that payment of creditors is expected to be made at least to the same extent as before the merger.

We express reasonable assurance in our conclusion.

Our report is prepared solely with a view to complying with the requirement of section 242 of the Danish Companies Act and may not be used for any other purposes.

Responsibilities of the Board of Directors

When assessing whether the creditors can be assumed to be sufficiently secured after the merger, we have, based on an interim balance sheet as of 30 November 2022 for Chr. Hansen Holding A/S, assessed the financial position, including the nature of the liabilities of Chr. Hansen Holding A/S before the merger. We have moreover assessed the financial position of Novozymes A/S after the merger, which included performing financial examinations with special emphasis on the expected development in the earnings, cash flows and financing of Novozymes A/S merged with Chr. Hansen Holding A/S based on a going-concern assumption.
